# SUMMER 2019 ROAD TRIP

---

June 28, 2019 - July 12, 2019

## FRIDAY, JUNE 28

**Depart from home - 460 miles - Drive 6.5 hours**

- [Beaver KOA Journey](#), 1428 N Manderfield, Beaver, UT 84713
- Pool, big playground, very kid friendly
- Full hookups
- Spend 1 night

## SATURDAY, JUNE 29

**455 miles via the 89 - Drive 7.5 hours**

- [Fireside Resort](#), 2780 North, WY-390, Wilson, WY 83014
- Spend 2 nights
- Full hookups
- Reserve well in advance, this campground fills up in the summer.
- Scenic location, lots of trees and shade, RV sites are close to one another.
- No pool, no playground.
- About 15 minutes from downtown Jackson.

## MONDAY, JULY 1

**123 miles via the Teton Pass (highway 33, 10% grade) - Drive 2.5 hours**

- [Yellowstone Grizzly RV Park](#), 210 S Electric St, West Yellowstone, MT 59758
- Spend 3 nights
- Full hookups, sites are immaculate
- Playground, no pool, paved roads that are perfect for riding bikes and scooters around.
- 5 minute drive to the West Yellowstone Entrance.

- Stock up on water, propane, and food, and dump tanks before the next destination.

## THURSDAY, JULY 4

### 106 miles - Drive 2.5 hours

- Boondocking near Buffalo Valley Road at Forest Rd 30069, Moran, WY 83013
- GPS Coordinates: 43.850517, -110.342024
- Short dirt road leads to a large, semi-flat campground that can accommodate about six rigs.
- No hookups
- There are other dispersed camping spots along Buffalo Valley Road.
- About 30 minutes from the Grand Teton National Park Moran Entrance
- Spend 2 nights

## SATURDAY, JULY 6

### 280 miles - Drive 5 hours

- Flaming Gorge National Recreation Area - [Mustang Ridge Campground](#)
- Mustang Ridge Campground Rd, Dutch John, UT 84023
- Group Site - GRP1 (This site has an incredible view of the lake, and you can hike down to the water for a swim. It's a rocky shoreline.)
- This group site is a large paved area that can fit up to four rigs.
- No hookups, but there's a water spigot in the group site that we used to fill up our water tanks.
- There's a sandy swimming beach called "Sunny Cove" that is about a 5 minute drive from Mustang Ridge.
- On our way in, we stopped at Antelope Flats to dump. Then on our way out, we stopped at Lodgepole Campground to dump.
- Spend 2 nights

## MONDAY, JULY 8

### 274 miles - Drive 5.5 hours

- Fishlake National Park
- [Bowery Creek Rec Site Campground](#), Bowery Creek Campground Rd, Richfield, UT 84701
- Site 14, Triple (This is a group site and it barely fit three rigs, two 36-foot class As and one 28-foot class C. Consider booking additional sites depending on your group size. May be difficult for very large rigs to maneuver between trees. There is also an RV park nearby.)
- Campsite is a five minute walk to the lake
- High elevation, cooler temperatures, cold lake water
- Several grades on this driving route
- Spend 2 nights

## WEDNESDAY, JULY 10

### 312 miles - Drive 5 hours

- [Las Vegas KOA at Sam's Town Journey](#), 5225 Boulder Hwy, Las Vegas, NV 89122
- Pool
- Full hookups
- Walking distance to Sam's Town Casino
- Very hot in the summer, plan on escaping to air conditioned casinos or buying a day pass for one of their incredible resort swimming pools. We like this one the best: [MGM Grand Pool](#)
- Spend 2 nights

## FRIDAY, JULY 12

### 241 miles - Drive 4 hours

- Home sweet home!
